ICAO REGIONAL AVIATION SECURITY TRAINING CENTER OF TUNISIA

AFSAC ICAO ASTC Tunis

AIRPORT SECURITY PROGRAMME WORKSHOP

Certified ✔ Accredited by: ICAO Duration:05 Days Language of Instruction: English

Registration Contact: training@afsactunisie.com +216 98 333 330 +216 20199950

Workshop Goal:

By the end of the Airport Security Program Workshop, participants will be proficient in understanding the requirements of an Airport Security Programme (ASP), capable of developing and reviewing ASPs, and equipped with the methodology and processes necessary for ASP maintenance, updates, and revisions. They will be able to draft effective ASPs and confidently implement them, ensuring compliance with relevant regulations and enhancing airport security measures.

Workshop Objectives:

After successfully completing this workshop, the trainees will be able to:

- Familiarize participants with the requirements of an Airport Security Programme (ASP) and enable them to draft and review such programmes.
- Determine the appropriate methodology required to develop an Airport Security Programme and the processes to ensure its maintenance, updates and revisions.
- Develop and draft an Airport Security Programme.

Workshop Content:

- Acts of Unlawful Interference and Countermeasures.
- Review of Annex 17 and Doc 8973.
- Elements of ASP.
- The requirements of an Airport Security Programme (ASP).
- Methodology required to develop an Airport Security Programme.
- Processes to ensure ASP maintenance, updates, and revisions.
- Implementation of ASPs.
- Draft an Airport Security Programme.
- Review of draft ASP Chapters.

Target Population:

This workshop is recommended that nominees be at the senior or middle management level within the State's appropriate authority, or within an airport who are responsible for the approval, quality control, drafting, updating and/or implementation of ASPs.

Entry Requirements:

Trainees must meet the following criteria:

- Attended a specialized AVSEC training activity, such as the ICAO National Civil Aviation Security Programme Workshop or Management Course.
- Written and oral command of the language of instruction.
