Course Goal:

The purpose of this course is to enable aviation security instructors to perform a competency-based and effective role in the delivery of their national aviation security (AVSEC) training activities, through the application of the relevant competencies and in accordance with Annex 17 – Aviation Security and the ICAO Aviation Security Manual (Doc 8973 – Restricted).

Course Objectives:

After successfully completing this course, the trainees will be able to:

- Apply knowledge, skills, and abilities desired for an aviation security instructor.
- Identify Annex 17 – Aviation Security requirements and ICAO guidance for aviation security training.
- Perform a competency-based delivery of national aviation security training activities through the application of the relevant competencies.

Course Content:

- **Module 1:** Course Introduction.
- **Module 2:** Role of the AVSEC Instructor
- **Module 3:** Principles of Learning and Instruction
- **Module 4:** Course Organization and Preparation
- **Module 5:** AVSEC Instructional Techniques
- **Module 6:** Presentation Practice
- **Module 7:** Assessment of Performance
- **Module 8:** ASTP Individual Presentations
- **Module 9:** Course Closing

Target Population:

This This course is designed for personnel involved with the instruction and/or development, management of training materials related to a national civil aviation security training programme. Those who participate in this course will be well versed in the general application of training principles, and the preparation of appropriate teaching aids.

Entry Requirements:

Trainees must meet the following criteria:

- Participants should work for the State’s appropriate authority responsible for aviation security, other regulatory authorities, airports, airlines, and/or other stakeholders that have an active role in training AVSEC personnel.
- There is no minimum level of responsibility for those meeting the target audience criteria.
- Participants should have written and oral command of the language of instruction.
