AFSAC ICAO ASTC Tunis

NATIONAL CIVIL AVIATION SECURITY TRAINING PROGRAMME WORKSHOP (NCASTP)

Certified ✔ Accredited by: ICAO Duration:05 Days Language of Instruction: English

Registration Contact: training@afsactunisie.com +216 98 333 330 +216 20199950

Workshop Goal:

The goal of the workshop is to enable the participants to identify the general principles of a National Civil Aviation Security Training Programme (NCASTP) and to acknowledge the training requirements. The participants will develop a draft NCASTP by utilizing the provided template, in accordance with the ICAO Aviation Security Manual (Doc 8973 – Restricted).

Workshop Objectives:

After successfully completing this workshop, the trainees will be able to:

- State the ICAO requirements for a NCASTP.
- State the objectives and scope of a NCASTP.
- Outline responsibilities of the Appropriate Authority with regards to the State's NCASTP to include those responsibilities which may be delegated.
- Describe recommended monitoring activities related to AVSEC training and list the four subsystems which make up the Aviation Security System.
- State the primary benefit of completing a job description and job analysis as part of the recruitment process.
- List the three phases of course development.
- Define security culture and identify the needs of security awareness and AVSEC training, in accordance with ICAO Global Aviation Security Plan (GASeP).
- Using the NCASTP exercises template provided, draft assigned sections of a NCASTP.

Workshop Content:

- Introduction to NCASTP
- Standards and Recommended Practices
- Objectives and Scope of a NCASTP
- Roles and Responsibilities
- Course Development
- Training Objectives and Tests

- Design of Modules & Course Development Team
- Security Culture and Awareness Training
- Final Review and Closing Activities

Target Population:

Participants should be at the senior or middle management level with a role in the development, implementation and/or oversight of the NCASTP.

Entry Requirements:

Trainees must meet the following criteria:

- Have successfully completed secondary education or an equivalent level.
- Have written and oral command of the language of instruction.
